SERVICE ADVISOR:

SERVICE TECHNICIAN:

- Note 1:** Maintenance items with a (*) should be performed more frequently according to "Maintenance under Severe Driving Conditions".
- Note 2:** Only if customer complains of smoking, loss of power. Please refer to exchange program on high pressure pumps and injectors.
- Note 3:** Setup vehicle on wheel aligner if out of specification, obtain permission to do wheel alignment from customer. Separate charge for customer account.
- Note 4:** Once the 300 000 km Maintenance Service has been completed, the Service Cycle restarts with the 10 000 km service again.
- Note 5:** When the vehicle is under maintenance contract, obtain authorisation from Maintenance Department to replace filters earlier.
- Key:** O = All Services, R = Replace (Parts charged extra), L = Lubricate, C = Check, Adjust or Replace if necessary, NC = Noise check valve clearance, I = Inspection
